- Supported and contributed in planning and idea evaluation
- Distribute flyers, talking to prospective childcare parents
- Handyman jobs like painting, drilling, gardening, cleaning, set up of play areas.

**COMMITMENTS AND RESPONSIBILITIES**

Besides being the youngest human in the family, we also have a pet German Shepherd who is the youngest member of our family. Taking care of him is a responsibility which requires some time daily. Physical and mental fitness is also important to me, and aside from evening runs with my dog, I have also recently become a gym member.
